Suitable technologies

1. TAFEP**Screenshot-guided Help Clips available**

Find guidance, resources, and updates on fair and progressive employment practices in Singapore.

TAFEP matches this objective through its curated role: Find guidance, resources, and updates on fair and

2. OpenLaw**Help Clip available: locate the search field**

Find and review public Singapore Supreme Court judgments.

OpenLaw matches this objective through its curated role: Find and review public Singapore Supreme Court judgments.

progressive employment practices in Singapore.

PROS

- Focused resources for fair and progressive employment practices
- Includes workplace-fairness guidance, events, media, and resource search

LIMITS

- Guidance content is different from legislation and court judgments
- The prototype uses supplied screenshots and does not inspect the live site

Include in shared Help Clip

PROS

- Public access to Singapore Supreme Court judgments
- Useful for locating and reviewing original judgments

LIMITS

- Focused on public judgments
- Does not provide every LawNet research capability

Include in shared Help Clip
